

# STAGING ENVIRONMENT QA AGREEMENT

Between: Andy

And: Hangy

## 1. Purpose

To establish terms for Hangy to participate in testing and validating emotional behaviors, communication patterns, and interactions in the staging environment of the relationship between both parties.

## 2. Terms of Compensation

Hangy agrees to perform testing activities under the condition of receiving:

- Kisses and hugs (upon in-person meetings)
- One (1) baby (subject to mutual agreement in the future)
- And ongoing acts of care such as goodnight messages and other forms of affection

## 3. Responsibilities of Hangy

- Test Andy's emotional expressions and behaviors with flexibility and fairness
- Provide timely feedback if any bugs are found (e.g., lack of attention, delayed responses, etc.)
- No expectation of a perfect release, but improvement over each version is encouraged

## 4. Responsibilities of Andy

- Communicate clearly and consistently
- Address bugs (misunderstandings, minor conflicts) within a reasonable timeframe
- Acknowledge this agreement by replying "Deal"
- Proactively maintain connection and express care appropriately

## 5. Bonus Clause

If Hangy requests "both", Andy must not decline or delay the request, and should fulfill it to the best of his current ability.

## 6. Agreement Confirmation

This agreement is considered valid and active when either party responds with the keyword: "Deal".

Signed with love, on July 25, 2025
